The patronage of the hotels, as regards travelling men, is light as is usually the The steamer Stewart made 82 round case during the holiday season. Most trips this season between Bay City and persons like to pass their time at home Alpena. When she was withdrawn there at this season of the year, and only those were at least two full cargoes of freight who are so unfortunate as to have no home remain at hotels and boarding

The tug Frank W. arrived at Milwau kee last Monday, with the disabled Arizona and Plymouth, which vessels lately went ashore off Presque Isle. The Frank W. was engaged to escort the vessels to Milwaukee, acting principally as a steerer, as the steering gear of the Arizons had been disabled.

The Alcona County Review remarks that "the railroad has cut down expenses for the winter by laying off a large number of section men. West Harrisville was formerly on section 12, but it is now on section six, and two men try to make all necessary repairs between Mikado and Mud Lake Junction."

The stone foundation for the Sanitarium is about completed. It extends some four feet above ground, and that part is of dressed stone. The wooden frame will be erected this winter, and the brick veneering put in place next summer. The grounds in front have been filled and brought to level with the adjacent streets.

In its last issue the Alcona County Review had the following to say in regard to this city: "Alpena is without doubt the thriftiest, brightest, most prosperous, most progressive and most promising town in eastern Michigan north of Bay

The Salvation Army turned out thirteen strong for their parade last Sunday afternoon. It consisted of six men, six women, and one child. The armament was one big drum, one little drum, two banners, four tamboreens and thirteen voices. Satan was scared out of his wits and running down River street, jumped in-

to the bay. This evening the second entertainmen of the Y. M. C. A. course will take place arrival at Alpena last Friday night, was at the Opera House. The entertainers are the Imperial Guitar and Banjo quartette, of Boston. The company recently appeared in Detroit, and the Free Press spoke very highly of work done by the members of the quartette. We believe

they will greatly entertain the citizens. This season there was manufactured at the Huron Lumber Co. mill 14,300,000 feet of lumber and 3,000,000 lath. As compared with last year there is a decrease of 1,700,000 feet in the cut of lumber. During the early part of the sawing season the mill was idle considerable, owing to the Boom Company being unable to get at the logs belonging to the Huron Lumber Co.

Detroit Dec. 8d, 1891. HAWLEY & FITZGERALD, Alpena, Mich., GENTLEMEN.—It has been our to us at the Opera House on Saturday, Dec. 12th, with the best company that has ever appeared in it. Mr. Scott, the joiliest of comedians, is the Ole, and everywhere he has made a tremendous hit by his impersonation of the amusing but heroic Swede.

We voice the sentiments of a large number of citizens when we express our regret at the misfortune that recently beful J. A. Widner. A short time ago he had a surgical operation performed on a finger, to remove a tumor. The cut made

HENRY A. NEWLAND & Co.

HAWLEY & FITZGERALD.

Cigar Company. A joint stock company is being organexpected, and we sincerely hope it will ized in this city to manufacture the well to paint the river red, ended in her nose not be long before he will again be able known "J. L." cigar. The capital of the company has been fixed at \$25,000. Each At a depth of 489 feet water was share is of the value of \$10. The intenreached in the well of the Alpena Magnetic tion is to allow no one person to own Sulphur Spring Co., and the flow of more than \$2,500 of the stock. If the enwater out of the well is large. It is im- terprise succeeds in perfecting an organsame vein of subterranean water has been the noted cigars will be operated and a tapped twice at the Fletcher paper pulp force of twenty-five cigar makers will be factory and twice at the Extract Works, set to work. The "J. L." eigar is one of and yet the flow of water out of the the best ten cent eigars manufactured, Sanitarium well appears to be as strong and if the new company should be the water was found about thirty feet nearer cigars made in this city, it will prove of But positively the Best Comedy Comthe surface at the Sanitarium well than great benefit to Alpena, as the money

The eigar manufactories of this city have and do yet make as good cigars as are made anywhere for the price charged. A factory that will find employment for twenty-five men, the entire year, at good wages, is very desirable and a good ad-dition to the industries of a city, and we hope the proposed enterprise may prove a success, and this city and surrounding country supplied with all the cigars need ed by smokers, of Alpena manufacture.

Sanitarium Well.

Progress in drilling the well for the Alpena Magnetic Sulphur Spring Co. was was made second sergeant, and corporal The following will show the progress Charles Smith was promoted to be third made each day of the week November 30th, ten feet of hard gray

itself to the top of the well and flow over in a strong current

On December 2d ten more feet were drilled through the hard gray limestone. But six feet were drilled on the 3d. The rock was hard gray limestone, and the caving in of shale rock considerably hindered the work of drilling.

December 4th was occupied in drilling but seven feet through the hard gray limestone. The flow of water became stronger, and it possessed sulphur odors. Saturday last only six feet were drilled The rock was of the same hard white limestone species they were working at all the week, and when the week ended the depth of the well was 523 feet, and 708 hours work had been used.

The well, so far drilled is through the following: Sand, 39 feet; gravel, two feet; shale, 155; feet; hard white limestone, 262} feet; hard gray limestone, 64
